Dear Commissioner Welsh:

Application is hereby made on behalf of **ZACHRY EXPLORATION, LTD** for the calling of a public hearing, after thirty (30) days legal notice, to consider evidence relative to the issuance of Orders pertaining to the following matters in the **Hackberry 4 Sand, Reservoir D**, in the **Turps Field**, Calcasieu Parish, Louisiana, to-wit:

1. To establish rules and regulations and create a single drilling and production unit for the exploration for and production of gas and condensate, such unit to be designated **HB 4 RD SUA**;
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each separate tract sharing in unit production on a surface acreage basis of participation;

3. To provide future wells drilled to the Hackberry 4 Sand, Reservoir D, should be located in accordance with the spacing provisions of Statewide Order No. 29-E;
4. To provide that the Commissioner of Conservation should be authorized to reclassify the reservoir, by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation; and
5. To consider such other matters as may be appropriate and justified by the evidence presented at the hearing.

The Hackberry 4 Sand in the Turps Field, was previously defined in Office of Conservation Order No. 1435, effective August 25, 1998.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,
